

**Revised April 2012**  
**ARTICULATION AGREEMENT**  
**BETWEEN**  
**ST. CHARLES COMMUNITY COLLEGE**  
**AND THE**  
**UNIVERSITY OF MISSOURI**

**Associate Degree in Nursing to a Bachelor of Science in Nursing**

**OVERVIEW:**

This articulation agreement is made and entered into by the University of Missouri Sinclair School of Nursing, hereinafter referred to as MUSSON, and St. Charles Community College, Cottleville, Missouri hereinafter referred to as SCC. By this agreement, SCC and MUSSON express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

**PURPOSE:**

This agreement provides students who have earned an Associate Degree in Nursing (ADN) the opportunity to complete a Bachelor of Science in Nursing at MU. Any SCC student who has earned an ADN degree as outlined below is guaranteed that MU will accept designated SCC credits, will apply such to the Bachelor of Science in Nursing degree in a manner consistent with the treatment of generic MUSSON students.

**CONDITIONS OF TRANSFER:**

SCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protections as MU native students enrolled under a specific catalog. Criteria for acceptance into *the articulated program* at MU will be the same for transfer as for native students.

SCC, upon request of students, will provide verification of completed courses to MU Sinclair School of Nursing. The transcript of students transferring from SCC will be evaluated by the MU Office of Admissions. Students are to have a cumulative GPA of 2.8.

Transfer students from SCC will have access to financial aid and student services on the same basis as native students.

MU will apply the same academic progress and graduation standards to SCC transfer students as those applicable to native students at MU.

## **SECTION II: TRANSFER OF CREDIT**

A maximum of 94 hours will be accepted by MUSSON from SCC to be applied to the Bachelor of Science in Nursing.

Twenty-six (26) of the last 30 semester hours of credit must be completed at MU (residency requirement) to be applied to the Bachelor of Science in Nursing.

Transfer students from SCC, meeting the criteria listed below will be accepted into the RN/BSN Option at the MU, Sinclair School of Nursing.

### **Criteria for Admittance to MU, Sinclair School of Nursing, RN/BSN Option**

- Undergraduate Admissions to Mizzou.
- Official transcripts from all colleges and universities attended on file with the Admissions Office.
- A transcript review on file.
- Current licensure as an RN in the United States.
- Successful completion of all general education and prerequisite coursework.
- Minimum cumulative grade-point average of 2.8 (on a 4.0 scale) for all college/university courses.
- Evidence of capacity to uphold the practice standards and ethical codes of the nursing profession.

### SECTION III: PROGRAM PLAN

Students falling under this program articulation agreement will be responsible for successful completion of the following requirements.

**TERMS OF AGREEMENT:**

This agreement is made and entered into in the academic year 2011-2012 and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time with the approval of both parties and is subject to annual review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.

**SIGNATURES:**

The St. Charles Community College, Cottleville, Missouri (SCC) and the University of Missouri enter into this program articulation agreement leading from the Associate Degree in Nursing (ADN) to the Bachelor of Science in Nursing at MU by the affixing of signatures of the chief executive officers of both institutions.
