

Core Coursework Transfer Agreement

In accordance with the West Virginia Higher Education Policy Commission and West Virginia Council for Community and Technical Colleges Core Coursework Transfer Agreement, identified undergraduate core courses completed are transferable as general studies credit to all other state institutions of higher education in West Virginia for credit with the grade earned. Other courses may be accepted as transfer in specific degree programs up to 72 hours. Those courses identified with an asterisk in the Core Requirements following the Course Key are included in the Core Coursework Transfer Agreement. Academic advisors and counselors can assist with questions regarding transfer to specific colleges.

Transfer In Students

Students transferring to WVNCC are admitted through the regular admissions process and must provide academic transcripts and related documents as noted in the Admissions/Registration section of this catalog. Transfer students will be assigned an academic advisor and need to meet with the advisor to register for class. A transfer credit evaluation is done at the time the academic transcript is received; students should meet with their academic advisor to determine how those credits apply toward graduation. Transfer students must work with their academic advisor if a course substitution/petition is needed.
